

From Rev. Tammy and Dr. Rusty Firestone

Queridos hermanos y hermanas – (Dear Brothers and Sisters)
For La Trinidad Church and our Ministry in Bolivia:

We praise God and give a huge Thank You to you, our partners at Good Samaritan, for your gift toward La Trinidad's children's ministry. We had a fantastic children's camp led by our leadership team at La Trinidad.

Thank you for praying for all the leaders at La Trinidad as they pastor the congregation during Tammy's time in the U.S., especially for Deacon Juan Cris and Marcelo. Please pray for Marcelo as he cares for the continuing health problems of his aging mother, Elvira and for her health. Tammy plans to return home to Bolivia the first weekend of September.

Thank you for your prayers for Rusty this past full month of chiropractic mission teams serving the needy in the Cochabamba area.

For our Family:

We thank God for providing a time of preparation for Thomas and for Our Lord's presence with him as he begins classes at Azusa Pacific University at the end of August. This is not only an extended time of separation from family and friends for Thomas, but also a time of adjustment to living in a different culture. We trust that Thomas is ready for this new stage and entrust him to God's hands.

We also ask that you remember Maddy as she returns to classes and adjusts to life at home without her brother.

Thank you for your prayers for Tammy as she moves her mother, Irene half-way across the U.S. to be closer to her extended family. Pray for her time of getting settled into her new home, and for Tammy with the difficulty of helping her mother when we live so far away.

We thank God for His provision and for your lifting us up to Him as a family during this time of transition for us all.

Our part is trusting and entrusting. Faith in God's faithfulness. Obeying and serving. The Lord will provide! We thank God for your being a part of His provision through your support and prayers.

Qué Dios les bendiga – (May God bless you)
Tammy, Rusty, Thomas and Maddy
