Creating Vibrant Local Communities

This will be our 8th summer going to the Philadelphia Project. In fact, Good Sam was the very first church group TPP ever hosted! Philly Project has grown so much over the years and it's been great to be a part of it all. (For context - there will be more people attending the week we are there than attended all of their first summer in operation!) The evening programs include great worship times along with messages from a guest speaker. There are 3 types of "work groups" you can be in. However, you stay in your work group all week. Please indicate on the form what type of work group you'd like to be in. Also this year Philly Project will be LONGER than ever - they've added a day to the trip so we will be coming home on SATURDAY. Even though this is our 8th trip there, we seriously think this could be the trip one yet!

FUNDRAISING

We are not going to pretend that \$400 is a small chunk of change. We know that not everyone has that kind of money just sitting around or hidden between the couch cushions.

First and foremost, please know that we refuse to let money be a deciding factor of whether or not a student comes on a trip. If you need more time to pay, or financial assistance, please let Jonathan know and you can make arrangements for scholarships or a “payment plan.”

The primary way of raising funds for our mission trips is for each student to send support letters to family and friends asking them to donate towards your trip. If you’d like, Jonathan can provide a sample letter. You might be surprised to learn how many people you have in your life that would love to donate towards a trip like this.

FINANCIAL DEADLINES

\$50 is due with your registration form. Registration is open, so you can start handing them in **now**. Checks should be made out to “Church of the Good Samaritan.” Registrations received after June 1 will be charged an additional \$25 late fee. The balance must be raised or paid by **July 10th**.
