REPORT

**PRELIMINARY DISCUSSION ON REOPENING**

Fr. Richard gave an overview of some of the factors influencing the timing of reopening the church for worship and other activities. We are currently waiting for guidance from the Diocese on reopening, which is expected this week or next. There followed an open discussion of various possibilities for reopening the church. In general it appears that Good Sam will be in a “both/and mode” for the next two years, that is, we will begin limited on site worship in the next month or so while continuing live stream worship. Because of this Fr. Richard is pursuing advice on outfitting the church with installed cameras, lighting and sound equipment. He plans to bring this information to the Facilities Committee. This was a preliminary discussion and no action was taken.

The meeting adjourned with prayer at 7:50pm.

Respectfully submitted,

Whitney Kuniholm  
Rector's Warden
